Property Description

A spacious two bed, two bath fully furnished modern flat located in prestigious Greenwich Millennium Village a short walk to the O2 Dome.

Greenwich Millennium Village is located on the Greenwich peninsula. It is an extremely well known development due to its ground breaking ecological and energy conservation programmes. The basic Scandinavian design of the development flats is prized by many due to the low cost of heating and large window sizes leading to extremely light and bright flats. The development is surrounded by greenery and has its own ecological park. In terms of infrastructure, close by is a strip mall with three retail parks including B&Q, sainsburys and Asda. Nearest Jubilee Line is North Greenwich and numerous bus routes abound. There is 24 hour concierge/security. Residents have sole access to landscaped communal gardens.

The development is comprised of numerous midrise buildings named after famous scientists. Farnsworth Court is a midrise building located on the western side of the development. The apartment is located on a lift serviced block. The development is portered.
