The Landlord/Managing Agent is responsible for the preparation of these accounts in accordance with the terms of the lease, and for such internal control as the Managing Agent, who maintains the accounting records, determines is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the accounts, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the preparation of the accounts in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made, as well as evaluating the overall presentation of the accounts.

Our report has been prepared pursuant to the terms of our engagement letter and for no other purpose. No person is entitled to rely on this report unless such a person is a person entitled to rely upon this report by virtue of our engagement letter or has been expressly authorised to do so by our prior written consent. Save, as above, we do not accept responsibility for this report to any other person or any other purpose and we hereby expressly disclaim any and all such liability.
