TITLE: Farnsworth Court / Becquerel Court Cladding Remediation – Planning Documents (Ref: 24/3776/F)

NOTE: Direct PDFs return 403 errors and cannot be fetched from this environment.

THE THREE PDF URLS FROM THE FARNSWORTH COURT DUE-DILIGENCE REPORT:

1. Fire Statement (Ashton Fire)

URL: https://docs.planning.org.uk/20250106/53/_GRNW_DCAPR_122658/7wk0fm0nsylmv83s.pdf

Status: 403 Forbidden – access restricted

Known content (from due-diligence report):

- Building height: 20.0 metres
- Storeys: 9 (ground and above), no basement
- Use: Residential flats, maisonettes and studios
- Fire strategy: single escape stair per block/core, protected corridors with mechanical or natural smoke ventilation
- No automatic fire suppression (sprinklers not required when built)
- Remediation scope derived from FRAEW assessments under PAS 9980
- Purpose: Remove combustible external-wall and attachment materials and replace with Class A2-s1,d0 minimum

2. Design and Access Statement (Jefferson Sheard Architects)

URL: https://docs.planning.org.uk/20250106/53/_GRNW_DCAPR_122658/j823u3q7ui5srt8q.pdf

Status: 403 Forbidden – access restricted

Known content (from due-diligence report):

- Describes Farnsworth Court's existing external materials:
- Wall Type 17: timber panel windows
- Wall Type 22: render
- Wall Type 23: timber cladding
- Wall Type 24: terracotta
- Two south-side blocks have expressed galvanised steel structure and extensive brise soleil
- Combustible items needing replacement: timber cladding, terracotta cladding build-up/substrate, decking and brise soleil

3. Construction Logistics / Planning Supporting Document

URL: https://docs.planning.org.uk/20250106/53/_GRNW_DCAPR_122658/6g20jnpwtuqxjhuc.pdf

Status: 403 Forbidden – access restricted

Known content (from due-diligence report):

- Construction logistics plan envisages sign-off from building control, fire engineer and NHBC

PLANNING REFERENCE: 24/3776/F (Royal Borough of Greenwich)

APPLICATION DATE: Registered week of 6-10 January 2025 (per Planning Applications list published by RBG)

APPLICANT: Greenwich Millennium Village Ltd

DESCRIPTION: Removal and replacement of combustible materials and build-ups in the existing external clad

ding materials at Farnsworth Court and a neighbouring block

APPROVED REPLACEMENT MATERIALS (per due-diligence report):

- Terracotta: Argeton Tampa terracotta cladding (rear-ventilated ceramic façade)
- Fibre cement: Cedral Click Brick Red (12mm thick, A2-s1,d0, thermal conductivity 0.212 W/mK)
- Balcony decking: Ryno Balca-Smart aluminium decking in Quartz Grey / RAL 7039
- Brise soleil: Bespoke raw aluminium
